Malcolm Miner Memorial Lecture

“Jesus & Darwin”

Dr. Joan Roughgarden
Eminent Evolutionary Biologist

St. Michael and All Angels Episcopal Church
4364 Hardy St., Lihue
Friday, February 28, 7:00 pm

Joan builds bridges of understanding between science and faith through her ground-breaking research. Drawing rich examples from nature including humanity, she invites a sense of awe in the wonder of creation while grounding her work in the rigor of scientific research. Joan’s lectures are engaging, thought-provoking, and easily grasped by persons of diverse backgrounds and viewpoints.

Stanford Professor Emerita of Biology;
Director of Roughgarden Research Lab.
Prolific author, including *Evolution's Rainbow: Diversity, Gender, and Sexuality in Nature and People*; *The Genial Gene*;
Deconstructing Darwinian Selfishness; and
Evolution and Christian Faith: Reflections of an Evolutionary Biologist

The Rev. Malcolm Miner, 1920-2012
St. Michael and All Angels Episcopal Church, Priest Associate
Father Malcolm, beloved by so many, was known for his compassionate care and healing touch, loving embrace and affirming laugh, inclusive theology and wise words. Author of: *Healing is For Real*; *Healing and the Abundant Life*; and *Your Touch Can Heal*. The Malcolm Miner Memorial Lecture has been established to provide progressive, stimulating lectures, which connect faith, learning and life.
